To The D C

No 2200-1 D

Secretary

The ~~working~~ working of toll on contract basis has been continued during the years 41-42 and 42-43 on the ground that the net income would be more than the income that would have been realised by working the toll amani During the current year also, Municipal council have leased out the right stating that they would save the expenditure on establishment

At the time of inspection of the Municipal office this was examined and it was found profitable to lease out the right of collection toll

In the circumstances I request you kindly obtain sanction of --- Government for working the toll on contract basis during the years 41-42 and 42-43 and to continue the same during 43-44
